**Bug 1** 4/25/2025 01:43 PM

Permite cadastro de nome utilizando números

Source: <https://front.serverest.dev/cadastrarusuarios>

The screenshot shows the SERVEREST registration page. At the top is the SERVEREST logo. Below it is the title "Cadastro". A green success message box says "Cadastro realizado com sucesso". Below this are three input fields: the first contains "123456" with a red arrow pointing to it and the text "cadastro realizado" below; the second contains "a1@a.com"; the third is empty. Below the inputs is a checkbox labeled "Cadastrar como administrador?". At the bottom is a purple "Cadastrar" button.

The screenshot shows the SERVEREST registration page. At the top is the SERVEREST logo. Below it is the title "Cadastro". There are three input fields: the first contains "123456" and has a red arrow pointing to it with the text "dados numéricos" below; the second contains "a1@a.com"; the third is empty. Below the fields is a checkbox labeled "Cadastrar como administrador?". At the bottom is a purple "Cadastrar" button and a link "Já é cadastrado? Entrar".

Screenshot-3.png 4/25/2025 01:42 PM

The screenshot shows the SERVEREST registration page after a successful registration. A green success message "Cadastro realizado com sucesso" is displayed at the top. Below it, the first input field now contains "123456" and has a red arrow pointing to it with the text "cadastro realizado" below. The second input field still contains "a1@a.com" and the third is empty. The checkbox "Cadastrar como administrador?" and the "Cadastrar" button are still present at the bottom.

End of report.
